Ellyn S. Kravitz, a partner at Littman Krooks LLP, will be discussing how attorneys can help veterans receive the government benefits to which they are entitled. The list of issues U.S. veterans face when they return home from serving their country continues to grow. Veterans are faced with the challenge of navigating the benefit system and obtaining timely responses to their applications. Littman Krooks attorneys have been accredited by the Department of Veterans Affairs to assist veterans and their spouses with the preparation, presentation, and processing of their claims for government benefits.

Littman Krooks LLP provides legal services in the areas of elder law, estate planning, veterans’ benefits, special needs planning, special education law, and corporate and securities .
