NEW YORK STATE ISSUES ADMINISTRATIVE DIRECTIVE REGARDING MEDICAID CHANGES

On July 20, 2006, the New York State Department of Health issued an Administrative Directive (“06 OMM/ADM—5”) which details the recent major changes in state Medicaid law. We have taken the liberty of attaching the entire ADM to this LK Alert for your convenience. Please note that it includes among other things changes to the transfer of asset and home equity provisions of the Medicaid program. We encourage you to review this document carefully and contact our firm if you have any questions regarding the same.

Future LK Alerts will summarize various provisions of this ADM, as agency implementation issues arise.
